STUDENTS ARRESTED ON CAMPUSS

H5 O.C. ••

The rioting at the C.C. College was followed by a rally outside the college campus. The action was led by a few hundred students and was accompanied by a large police force. The rioting began when police attempted to remove a group of students who were blocking the entrance to the college. The students resisted and a clash ensued.

The police used tear gas and batons to disperse the crowd. There were also reports of injuries among the students. The college administration has condemned the violence and has promised to cooperate with the police.

The riot was the latest in a series of disturbances at the college, which has been a focus of attention in recent weeks.
